FOREWORD

In the 29 years since its inception, the Directory of Minority Construction Contractors and Subcontractors has grown from a small pamphlet to a comprehensive volume containing 1,000 separate listings of American Indian, Asian/Pacific Islander, Black and Latino construction contractors in Northern California.

This resource as well as the Agency's separate directories of Woman-owned Construction Contractors and Truckers, Black Design Firms, CPAs, Cost Estimating, Diving, Drilling, Geotechnical, Surveying and Testing Firms, Engravers, Graphic Artists and Printers, Investment Bankers, Latino Design Firms, Law Firms, Management Consultants, and Media are provided as resources without recommendation or representation of any kind. They have played important roles in the Agency's outreach efforts to foster equal opportunity for minority and woman-owned business enterprises.

This directory is updated and re-issued periodically. Should you find any errors or omissions in the directory, please contact me at the San Francisco Redevelopment Agency at 770 Golden Gate Avenue, Room 208, San Francisco, CA 94102-3120, or telephone 415/749-2423 or FAX 415/749-2526.
